⚠ Important Health Warning About Playing Video Games

Photosensitive Seizures

A very small percentage of people may experience a seizure when exposed to certain visual images, including flashing lights or patterns that may appear in video games. Even people who have no history of seizures or epilepsy may have an undiagnosed condition that can cause these "photosensitive epileptic seizures" while watching video games.

These seizures may have a variety of symptoms, including lightheadedness, altered vision, eye or face twitching, jerking or shaking of arms or legs, disorientation, confusion, or momentary loss of awareness. Seizures may also cause loss of consciousness or convulsions that can lead to injury from falling down or striking nearby objects.

Immediately stop playing and consult a doctor if you experience any of these symptoms. Parents should watch for or ask their children about the above symptoms—children and teenagers are more likely than adults to experience these seizures. The risk of photosensitive epileptic seizures may be reduced by taking the following precautions: Sit farther from the screen; use a smaller screen; play in a well-lit room; and do not play when you are drowsy or fatigued.

If you or any of your relatives have a history of seizures or epilepsy, consult a doctor before playing.

PEGI ratings and guidance applicable within PEGI markets only.

What is the PEGI System?

The PEGI age-rating system protects minors from games unsuitable for their particular age group. PLEASE NOTE it is not a guide to gaming difficulty. Comprising two parts, PEGI allows parents and those purchasing games for children to make an informed choice appropriate to the age of the intended player. The first part is an age rating:

3+

7+

12+

16+

18+

The second is icons indicating the type of content in the game. Depending on the game, there may be a number of such icons. The age-rating of the game reflects the intensity of this content. The icons are:

VIOLENCE

BAD LANGUAGE

FEAR

SEXUAL CONTENT

DRUGS

DISCRIMINATION

Letter from the Editor

Thank you for picking up the latest issue of On Liberty – your one-stop guide to the most exciting city in the world. No, really, thank you. It's nice to know there are still those of you stupid enough to pay for a print copy of our magazine when you can get all the content for free online. The Internet has pretty much ruined our business model, and my vacation home in the Carraways, but we still have our finger firmly on the worryingly-fast pulse of Liberty City. From the latest restaurants to the hottest bars to the coolest clubs, our mission remains the same as it's always been – to push you in the direction of the locations in Liberty City that pay us the most in advertising revenue. You don't get to be a top-selling city guide by actually visiting the places that you review. On behalf of myself and all the staff at On Liberty, I'd like to wish you the very best of luck on your travels and to remind you of our special 12-month subscription offer.

Tony Mountebank, Editor

Best Sights The Top Five

So many things to see and people to do - deciding where to go can be a daunting task in Liberty City. From Middle Park to Star Junction to Firefly Island, this vibrant city is jam-packed with famous sights and landmarks.

1 Statue Of Happiness

A gift from the French at the end of the 19th century, this iconic landmark evokes a bittersweet mix of patriotism and xenophobia.
 >> Happiness Island off Lower Algonquin

It will take you weeks to even scratch the surface. Weazel News will tell you that the only people interested in Liberty City's historic buildings these days are democracy-hating terrorists but the Triangle Building, Grand Easton Terminal, Civic Citadel

10 On Liberty

2 Star Junction

Where the bright lights of Capitalism blink 24 hours a day. A great place to go if you like advertising. >> Burslesque and Kunzite Street, Algonquin

3 The Screamer

Too bad you can't ride the Screamer, because what could be more fun than riding a 100-year-old rollercoaster made of wood?

>> Funland off Crockett Avenue, Hove Beach, Broker

4 National Union of Contemporary Arts

What makes one man on the corner of the street a ranting acid casualty and another a performance artist? Normally just some body paint. Visit NUCA and find your place in the artistic spectrum.

>> Dukes Boulevard at Burker Hill Avenue, East Island City, Dukes

5 Alderney State Correctional Facility

Where men who "didn't do it" discover what they are prepared to do when deprived of female contact. >> Grenadier Street, Actar Industrial Park, Alderney

Best Place to Chill Honkers

What better way to remind yourself that you really don't need your ex than hooking up with your other single friends, talking about sports, ripping on each other and wandering from bar to bar, drinking beer until you pass out?

Like President Lawton's foreign policy, Liberty City's nightlife is always changing and people come from all over the world to experience an unparalleled range of entertainment options. From strip clubs to comedy clubs, the city offers exactly what you supposedly weren't looking for. Explore each of the boroughs' unique attractions and remember: what happens in Liberty City stays in Liberty City...until your friends post the photos on their MyRoom page the following morning.

For the best night out on the town,

>> Tinderbox Avenue between Phalanx Road and Jullin Avenue, Tudor, Alderney

Panoramic®

...all around you

The Best of the Rest

Why not head down to **Perestroika**? Travel back to a time when seeing a woman in half was still considered entertainment at this popular Russian cabaret club.

>> Tulsa Street, between Mohawk Avenue and Oneida Avenue, Hove Beach, Broker

Take a trip to **Memory Lanes** down on the seafloor. Exercise doesn't have to involve breaking a sweat and that's why Americans love bowling. Go for that tricky 6-9 split secure in the knowledge that you are playing a sport.

>> Located on the seafloor in Firefly Island, Broker

At **Split Sides**, it's not just the usual bunch of middle-aged manic depressives telling racist jokes, this famous comedy club also showcases some big-name celebrity guests.

>> Frankfort Avenue at Jade Street, Star Junction, Algonquin

WE'LL SPOT THE SONG FOR YOU

Best Burger Superstar Café

From fast food outlets to swanky restaurants, Liberty City offers something for every diner. You can spend \$100 watching coked-up models push salad around a plate or \$10 watching a high-school dropout wipe his nose with your burger bun; the choice is yours.

Superstar Café is a winning bar-restaurant formula combining the Brits' love of bad food and the Americans' love of themed merchandise. Throw in some incoherently progressive jazz and a steady influx of Eastern European waiting staff who don't speak English and can't smile, and you have a unique dining experience in the heart of Algonquin. You'd think anybody should be able to make a good American burger

- it's just a bit of seasoned beef squashed into a patty and deep-fried - so how do they get away with charging \$24?! At the Superstar Café, the price certainly isn't reflective of the quality of the ingredients - mine had tiny flecks of blue in it - the colour they spray condemned meat so it can't get into the human food chain. Nice.

>> Bismark Street, between Ruby Street and Quartz Street, Lancaster, Algonquin

Food for the Masses

Take your lady and enjoy a sausage and a kebab at the **69th Street Diner**. The pie here will warm anyone's cold heart. Stop in for classic diner fare as you wonder why it's on Bart Street.

>> Bart Street at Mohawk Avenue, Hove Beach, Broker

Authentic Italian life at **Drusilla's** neighbourhood restaurant. The traditions of Italy live on at this establishment; just don't make any mafia jokes.

>> Denver Avenue, between Emerald Street and Feldspar Street, Little Italy, Algonquin

Best Brew Homebrew Café

The best way to deal with problems is to drink through them and there are plenty of watering holes around Liberty City where you can stop off for a quick eye-opener or a liquid lunch. Many bars offer darts or pool and they all go by the motto, party 'til she's cute. Make some friends, meet some girls and start some fights with the locals.

On a quiet corner of Broker lurks the **Homebrew Café**, a small neighbourhood bar with a distinctly Jamaican flavour (and smell). Assume the goat is goat and don't ask where the beer comes from - unless you want to make it totally clear that you really don't belong in here. This is a real local hangout and you take it as you find it - don't even think about asking to change

>> Tuttle Avenue, Beechwood City, Broker

Bottoms Up!

Lucky Winkles is well worth a visit, and not just for the easy old skanks trying not to slip off the shiny stools. A classic Purgatory dive bar, marinated in the blood, sweat and urine of drunken labourers for over a century. A 'hidden gem' and 'neighbourhood secret' that is in all the guidebooks.

>> Galveston Avenue and Hell Gate, Purgatory, Algonquin

Slug 'em and toss 'em at this classic Irish drinking spot where darts are available for anyone who can still walk straight. Head to the **Steinway Beer Garden** if you think you're hard enough.

>> Yorktown Avenue and Morris Street, Steinway, Dukes

Don't try ordering caviar at this tough Russian hangout in Hove Beach or you might end up with a permanent smile on your face. No one knows your name at **Comrades Bar**.

>> Mohawk Avenue between Bart Street and Crockett Street, Hove Beach, Broker

Dating in the City

It's not easy out there! I tried my normal approach tactics - walk up to somebody who looks cool and say, "Hi, I'm Tony Mountebank. I'm only, like, the editor of On Liberty..." That didn't seem to work, which is really strange. I was surfing the internet when I noticed an ad for a dating site called love-meet.net.

Intrigued to discover more about how you people actually live your drab little lives, I decided to set up a profile. Obviously, I didn't use my real name - my fame would have given me an unfair advantage. I just put in the normal sort of personal info you'd expect: massive eight-figure salary from a cool job I love and that I can do from my laptop on any beach or yacht I choose to be on at the time, stunningly

attractive Greek God-like physique and generally all-round modern American hero with amazing sense of humour.

Needless to say the responses came flooding in and I got to work sorting through the muck. I chose a rich-sounding hottie from uptown and arranged to meet her in a bar round the corner from my apartment. There's no point splashing out for cab fare home when you have no intention of a second date. Anyway, she rudely had the nerve to complain that my physique is nothing like a Greek God. I never said which Greek God and, anyway, there's no way she was 22, more like 28. I mean, that's almost as old as my youngest brother. What's the point in that?

ZiT

How many times have you been listening to the radio, heard a killer track but missed the artist or song name? Usually it's because the DJ is talking about himself again and how cool he is, or maybe a gunshot drowned out the sound just as it was announced. Either way, that frustration is now a thing of the past. Simply select ZiT from your phone menu and it'll tell you what you're listening to. It's that easy!

Everybody knows that guys who drive flashy sports cars tend to be lacking in other areas. LIMITED WARRANTY. Licensor warrants to you (if you are the initial and original purchaser of the Software) that the original storage medium holding the Software is free from materials and workmanship under normal use and service for 90 days from the date of purchase. Licensor warrants to you that this Software is compatible with a personal computer meeting the minimum system requirements listed in the Software documentation or that it has been certified by the gaming unit producer as compatible with the gaming unit for which it has been published, however, due to variations in hardware, software, internet connections and individual usage, Licensor does not warrant the performance of this Software on your specific computer or gaming unit. Licensor does not warrant against interference with your enjoyment of the Software; that the Software will meet your requirements; that operation of the Software will be uninterrupted; that the Software will be free from viruses or other unauthorized code; that the Software will be free from bugs or other unauthorized code. No right or written advice provided by Licensor or any authorized representative shall create a warranty. Because some jurisdictions do not allow the exclusion of or limitations on implied warranties or the limitations on the applicable statutory rights of a consumer, some or all of the above exclusions and limitations may not apply to you.

If for any reason you find a defect in the storage medium or Software during the warranty period, Licensor agrees to replace, free of charge, any Software discovered to be defective within the warranty period as long as the Software is currently being manufactured by Licensor. If the Software is no longer available, Licensor retains the right to substitute a similar piece of Software of equal or greater value. This warranty is limited to the storage medium and the Software as originally provided by Licensor and is not applicable to normal wear and tear. This warranty shall not be applicable and shall be void if the defect has arisen through abuse, misstatement, or neglect. Any implied warranties prescribed by statute are expressly limited to the 90-day period described above.

Except as set forth above, this warranty is in lieu of all other warranties, whether oral or written, express or implied, including any other warranty of merchantability, fitness for a particular purpose or non-infringement, and of other representations or warranties of any kind shall be binding on Licensor. When returning the Software subject to the limited warranty above, please send the original Software only to the Licensor address specified below and include your name and return address; a photo of your dated sales receipt; and a brief note describing the defect and the system on which you are running the Software.

IN NO EVENT WILL LICENSOR BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM POSSESSION, USE OR MALFUNCTION AND, TO THE EXTENT PERMITTED BY LAW, DAMAGES TO PROPERTY, LOSS OF GOODWILL, COMPUTER FAILURE OR MALFUNCTION AND, TO THE EXTENT PERMITTED BY LAW, DAMAGES FOR PERSONAL INJURIES, PROPERTY DAMAGE, LOST PROFITS OR PUNITIVE DAMAGES FROM ANY CAUSES OF ACTION ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE SOFTWARE, WHETHER ARISING IN TORT (INCLUDING NEGLIGENCE), CONTRACT, STRICT LIABILITY OR OTHERWISE, WHETHER OR NOT LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL LICENSOR'S LIABILITY FOR ALL DAMAGES (EXCEPT AS REQUIRED BY APPLICABLE LAW) EXCEED THE ACTUAL PRICE PAID BY YOU FOR USE OF THE SOFTWARE.

BECAUSE SOME STATES/COUNTRIES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS AND/OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, THE ABOVE LIMITATIONS AND/OR EXCLUSION OR LIMITATION OF LIABILITY MAY NOT APPLY TO YOU. THIS WARRANTY SHALL NOT BE APPLICABLE SOLELY TO THE EXTENT THAT ANY SPECIFIC PROVISION OF THIS WARRANTY IS PROHIBITED BY ANY FEDERAL, STATE, OR MUNICIPAL LAW, WHICH CANNOT BE THE EMPLOYED. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS THAT VARY FROM JURISDICTION TO JURISDICTION.

TERMINATION. This Agreement will terminate automatically if you fail to comply with its terms and conditions. In such event, you must destroy all copies of the Software and all of its component parts. You can also end this Agreement by destroying the Software and all copies and reproductions of the Software and deleting and permanently purging the Software from your client server or computer on which it has been installed.

INDEMNITY: You agree to indemnify, defend and hold Licensor, its partners, licensors, affiliates, contractors, officers, directors, employees and agents harmless from all damages, losses and expenses arising directly or indirectly from your acts and omissions to act in using the Software pursuant to the terms of the Agreement.

MISCELLANEOUS: This Agreement represents the complete agreement concerning the license between the parties and supersedes all prior agreements and representations between them. It may be amended only by a writing executed by both parties.
